### **Overall comments**

- Ceiling decorations required by organizer shall not exceed a certain weight to be decided by hotel manager-in-charge and shall not interfere with any of structural aspects of the hotel ceiling (no nails or adhesives or tapes are to be used on walls or ceilings or pillars or structures of any kind) in any way, shape, form or manner.
- The Grand Ballroom ceiling has only a couple of points/areas that allow for hanging of event decorations within a certain weight limit to be decided by the hotel. No hanging decoration is allowed on the ceiling of other function rooms. The contractor's employees shall provide the detail weight plan of each point / areas for hotel permission before start the construction. There is no free standing truss system to be set up inside room
- Sound system set-up is not allowed if it interferes with the hotel's fire alarm system in any way, shape, form or manner.
- Setup is not allowed if it block all doors and exist doorways in any way
